ELITE FOODS

Rooted in Egypt.

Elite Foods is an Egyptian food export company specialising in the production of table olives and pickled vegetables.

Egyptian table olives and pickled vegetables, produced in Wadi El Natroun and exported worldwide.

01 · ABOUT US

A partner, not just a supplier.

Elite Foods was founded in 2023 by a team with more than 28 years in food processing, agriculture, manufacturing and international trade.

At our factory we pack table olives and pickled vegetables in barrels, buckets, PET, jars and tin cans, under our own name or under our clients' brands.

Founded	2023

02 · MISSION & VISION

What drives us.

Our mission

To bring the best of Egyptian table olives and pickled vegetables around the world: safely produced, consistently excellent, and delivered as a partner.

Our vision

To be the export partner buyers trust first for Egyptian table olives and pickled vegetables, known for quality, reliability and lasting relationships.

03 · CHAIRMAN PROFILE

Diaa Eldin Mahmoud Mareei

Chairman

More than 28 years of experience in food processing, agriculture, manufacturing and international trade. Exported 45,000 tons through 2020, with a commitment to building long-term partnerships worldwide.

1998–2012	**Wadi Food** Production Engineer, rising to Executive Director for the last five years.
2013	**Sky Tree & Sky Food** Founded the group's agricultural and food businesses.
2018	**EP Plastic** Founded food-grade packaging manufacturing.
2023	**Elite Foods** Founded Elite Foods for food processing and export.

04 · GROUP COMPANIES

From cultivation to processing to packaging.

2013	**Sky Tree Agricultural Development** 2,000 feddans of olive cultivation supplying the group with raw fruit.
2018	**Egyptian Portuguese Plastic** Food-grade packaging: the barrels and buckets our products ship in.
2023	**Elite Foods** Food processing and export of table olives and pickled vegetables.

05 · WHY ELITE FOODS

Five reasons buyers choose us.

01	Internationally certified quality and food-safety systems
02	A diverse range across olives, pickled vegetables and specialty products
03	Flexible packaging formats: barrels, buckets, jars and cans
04	An integrated group spanning cultivation, processing and packaging
05	28+ years of leadership in food processing and international trade

10 · PACKAGING

Formats for every buyer.

Barrels, buckets, PET, glass jars, tin cans and other packaging varieties.

Barrels	Our barrels are made inside the group by Egyptian Portuguese Plastic, so supply and quality are under our control.
Buckets	Buckets are light and shatter-proof, ideal for deli counters and retail.
Tin cans, jars and PET	Glass jars show off the product on retail shelves. Jars and tin cans serve kitchens and food service.
Private label	We manufacture under client brands: your label, our product, packed to your specification.
